From Google Calendar for Google Meet

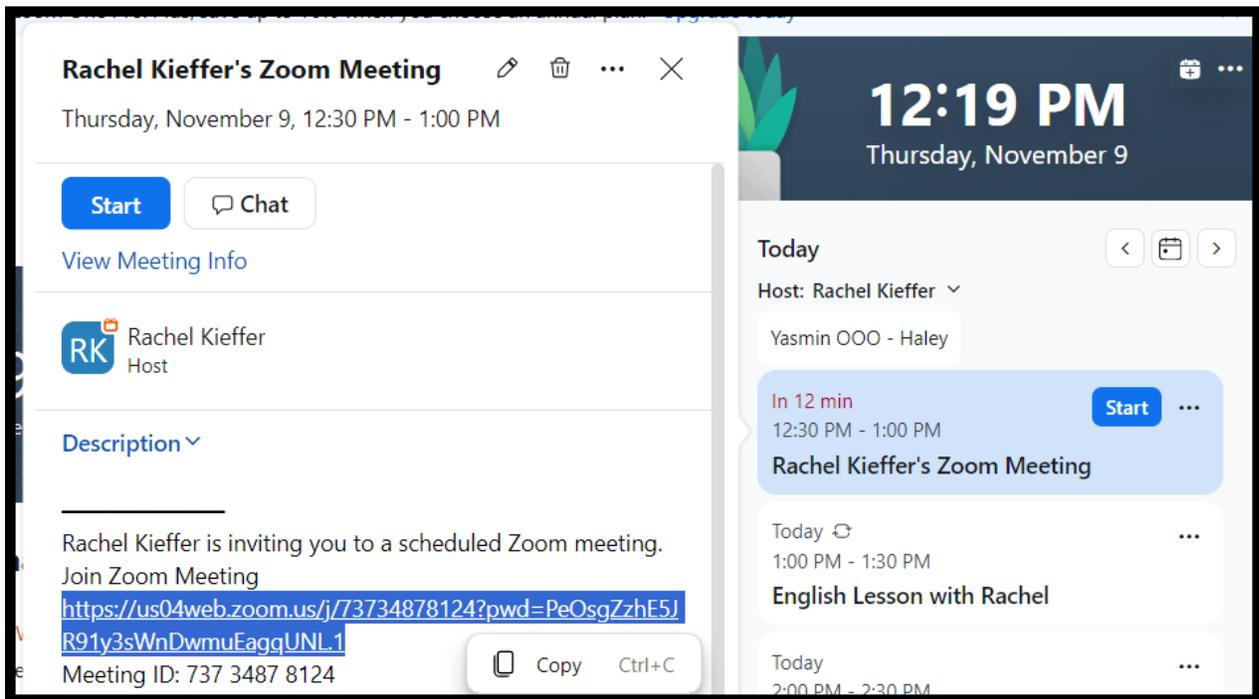

1. Schedule your session, then click **Add Google Meet video conferencing**.
2. Directly under the **Join with Google Meet** button, use your cursor to select the gray link that starts with **meet.google.com/** and right click to copy it.

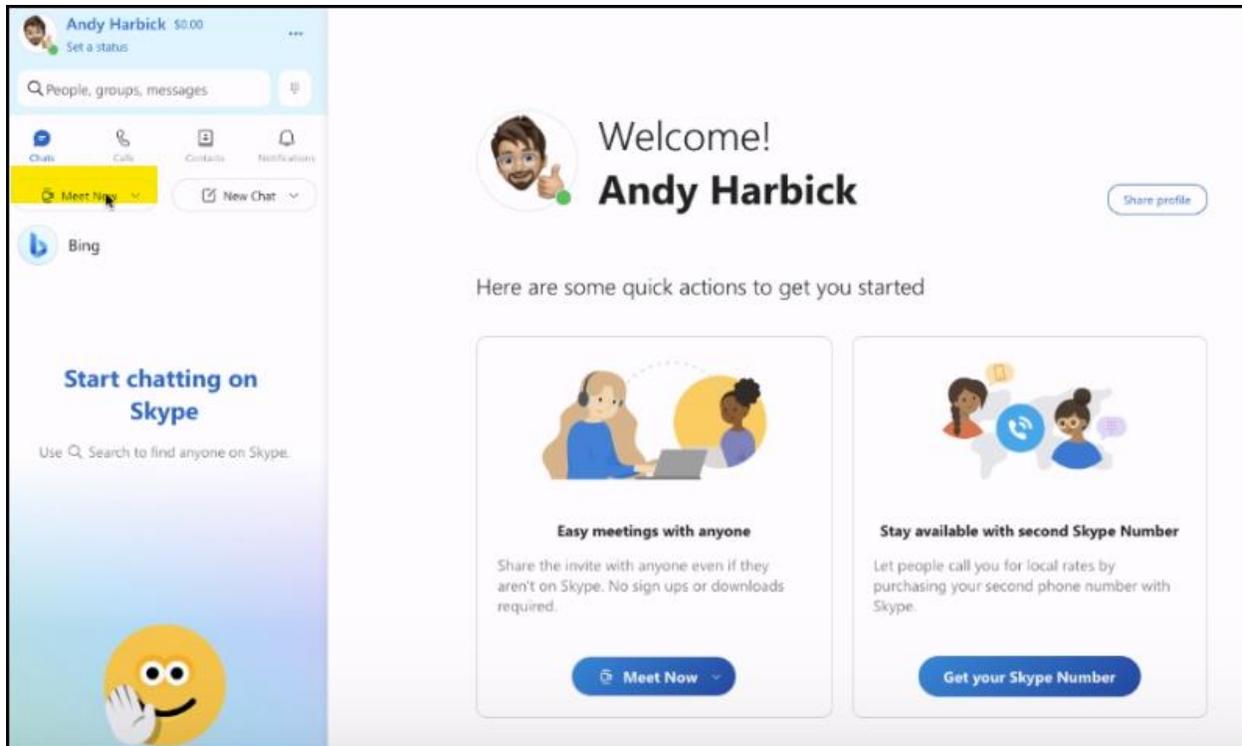

From the Zoom App

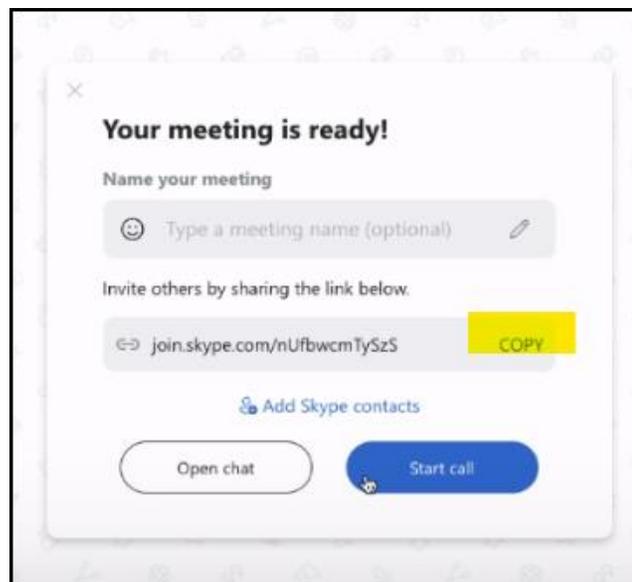

1. On the right side of the screen, click on the meeting to open the Meeting Details.
2. Use your cursor to select the meeting link and right click to copy it.

From the Skype App

1. Open the app, then click “Meet Now”Go to <https://www.skype.com/en/free-conference-call/>

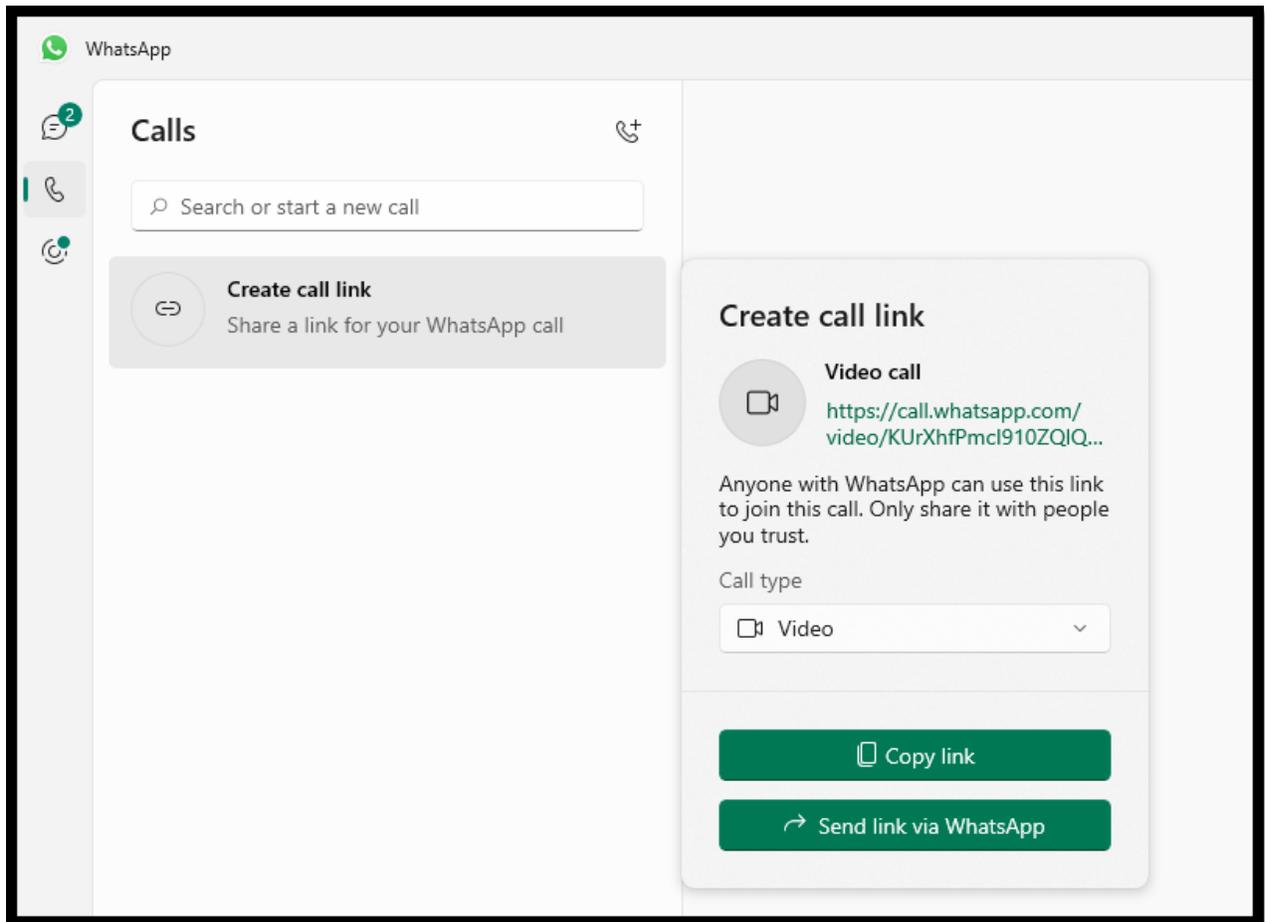

2. Click COPY to copy the link.

From the Teams App

The screenshot shows the Microsoft Teams calendar interface. The calendar is set to December 2023, and the current view is for Monday, December 4th. A meeting titled "English Lesson with Rachel" is scheduled for 5:30 PM to 6:00 PM. The meeting details panel is open, showing the meeting title, time, and a "Join" button. The meeting link is also visible: <https://teams.microsoft.com/l/meetup-join/1...>

1. Click on the meeting to open the Meeting Details.
2. Click the  Copy icon to copy the link.

From the WhatsApp app:

1. Go to the Calls tab by clicking the  phone icon on the left side of the screen.
2. Click **Create call link**.
3. Click the  **Copy Link** button.
